

**One Day Research Symposium in Integrative Medicine and Health**  
**October 26, 2011**  
**Hotel Palomar**  
**Los Angeles**

**Poster Presentations 1:00 p.m. to 2:00 p.m. (Ground Level: Premiere Ballroom)**

| <b>Research Category</b> | <b>Author</b>                 | <b>Title</b>  | <b>Institutional Affiliation</b>   |
|--------------------------|-------------------------------|---|--|
| Basic Science            | Diana Márquez-Garbán<br>MD    | <i>Development of New Therapeutics Targeted to Lung Cancer</i>  | UCLA, Department of Medicine, Division of Hematology-Oncology, Jonsson Comprehensive Cancer Center |
| Basic Science            | Guido Eibl<br>MD              | <i>Baicalein Induces Apoptosis in Pancreatic Cancer Cells by Down-Regulation of Mcl-1</i>               | UCLA Center for Excellence in Pancreatic Diseases, David Geffen School of Medicine at UCLA         |
| Basic Science            | Hung Pham<br>PhD              | <i>Apigenin Inhibits NNK-induced FAK Y397 Activation in Pancreatic Cells</i>                            | David Geffen School of Medicine UCLA   |
| Basic Science            | Igor G. Bondarenko<br>PhD, MD | <i>In Vivo Short-term Effects of Colloidal Silver on Polymorphonuclear Leukocytes of Healthy Humans</i> | Vitaline Educational Centre  |

|                   |                       |  |   |
|-------------------|-----------------------|--|---|
| Basic Science     | Kamal Ameis<br>MD     | <i>Degeneration/Regeneration as a Mechanism Contributing to the Effect of Manual Acupuncture-Induced Injury on Rat Skeletal Muscle</i> | Georgetown University   |
| Basic Science     | Monica Chen<br>PhD    | <i>Eicosapentaenoic Acid Induces Apoptosis through an AKT-dependent pathway in Pancreatic Cancer Cells</i>                             | UCLA<br>Department of Surgery<br>Center of Excellence in Pancreatic Diseases<br>David Geffen School of Medicine |
| Basic Science     | O. Joe Hines<br>MD    | <i>Apigenin Induces Pancreatic Cancer Apoptosis Via p53 and PUMA</i>   | UCLA<br>Department of Surgery<br>Center of Excellence in Pancreatic Diseases<br>David Geffen School of Medicine |
| Basic Science     | O. Joe Hines<br>MD    | <i>Quercetin Inhibits Growth of Pancreatic Cancer in Vitro and in Vivo</i>   | UCLA<br>Center for Excellence in Pancreatic Diseases<br>David Geffen School of Medicine                         |
| Basic Science     | Qing-Yi Lu            | <i>Bioavailability of Bioactive Metabolites of Scutellaria baicalensis in Mouse Pancreas and Pancreatic Tumor Xenografts</i>           | UCLA<br>Department of Medicine  |
| Basic Science     | W.N. Paul Lee         | <i>In-vitro Tracer-based Investigation on the Effect of Loquat Leaves Extract Toward Glucose Metabolism Using HepG2 Cells</i>          | LA Biomedical Research Institute  |
| Clinical Research | Anna Rusiewicz<br>PhD | <i>Alternative Care Provider Use among Operation Enduring Freedom (OEF)/Operation Iraqi Freedom (OIF) Veterans</i>                     | Department of Veteran Affairs New Jersey Healthcare System/<br>Mount Sinai School of Medicine                   |
| Clinical Research | Anna Rusiewicz<br>PhD | <i>Lessons Learned: Recruiting for a Pilot Study of Acupuncture to Improve Quality of Life in Veterans with PTSD</i>                   | Department of Veteran Affairs New Jersey Healthcare   |

|                                  |                                      |   |  |
|----------------------------------|--------------------------------------|---|--|
| Clinical Research                | Elizabeth Harper<br>PhD              | <i>The Effects of Pranic Breathing on Maximal Respiratory Pressures, Fatigue and Quality of Life of Individuals with Multiple Sclerosis</i>     | Pacific College of Oriental Medicine<br>Monmouth University      |
| Clinical Research                | Ellen Silver Highfield<br>LicAc      | <i>Acupuncture and Traditional Chinese Medicine for Survivors of Torture and Refugee Trauma</i>   | Boston University<br>School of Medicine                          |
| Clinical Research                | Garrett Sullivan<br>MD               | <i>Anti-cancer Effect of Pharmacologic Ascorbate and its Interaction with Supplementary Parenteral Glutathione in Preclinical Cancer Models</i> | University of Kansas   |
| Clinical Research                | George A. Munger<br>MSOM, LAc        | <i>Living Plant Medicine</i>  | Phoenix Institute of Herbal Medicine & Acupuncture               |
| Clinical Research                | Gregory J. Van Hyfte<br>MA, MA       | <i>"Breathing Breaks": A Mind-Body Intervention for Health Care Students and Providers</i>  | University of Chicago  |
| Clinical Research<br>Case Report | James Yung<br>MD                     | <i>A Pruritic, Psoriasiform Rash in an 82 Year Old Patient: Clues to Diagnosing Atypical Celiac Disease</i>                                     | George Washington University                                     |
| Clinical Research                | Jeannette Painovich<br>DAOM, LAc, MA | <i>Acupuncture in the Inpatient Acute Care Setting: A Pragmatic, Randomized Control Trial</i>   | Cedars Sinai Medical Center                                      |
| Clinical Research                | Katherine Gergen Barnett<br>MD       | <i>Implementing and Evaluating Integrative Medicine Group Visits at Boston Medical Center, New England's Largest Safety Net Hospital</i>        | Boston Medical Center  |
| Clinical Research                | Michael Irwin<br>MD                  | <i>Mitigating Cellular Inflammation in Older Adults: A Randomized Controlled Trial of Tai Chi Chih</i>  | UCLA   |
| Clinical Research                | Sally Dodds<br>PhD                   | <i>Arizona Lifestyle Inventory (ALI): A Multi-Dimensional Integrative Medicine Measure to Assess Wellness Behaviors</i>                         | Arizona Center for Integrative Medicine<br>University of Arizona |
| Clinical Research                | Sian Cotton<br>PhD                   | <i>Complementary Alternative Medicine Behaviors and Beliefs in Urban Adolescents with Asthma</i>  | University of Cincinnati<br>College of Medicine                  |

|                                 |                           |   |   |
