

As a full time consultative **Integrative Medicine Physician** working with UT Medical Center-Knoxville, you can enjoy the close connection of community-focused patient care with the resources and reputation of one of the region's growing health systems.

We are seeking an Integrative Medicine physician who has exceptional clinical skills in integrative medicine, experience with interprofessional teamwork and collaboration, and a commitment to diversity, equity, and inclusion. Two days a week you will have the opportunity to work within the UTMC Cancer Center collaborating with our oncologists and Integrative Healthcare team seeing our oncology patients. The other days you will work with our other Integrative Medicine physicians and team practitioners providing consultations in Integrative Health.

Candidates must be Board-certified in another medical specialty and have completed a fellowship or equivalent advanced training in integrative medicine, have direct experience in the practice of complementary and integrative healthcare, and be licensed or eligible to be licensed in the State of Tennessee.

At UTMC you can:

- Provide consultative integrative health care to our oncology patients and other members of our community
- Utilize your full breadth of clinical skills to treat our patient population
- Work within an expanding, thriving practice and team environment, using Cerner systems
- Deliver leading-edge patient care
- Teach medical students, residents and nurse practitioner students with a faculty appointment in the Graduate School of Medicine
- Enjoy an excellent salary, incentive and benefits program
- Collaborate in research
- Experience East Tennessee's incredible outdoor and lifestyle advantages
- Be valued for your unique contributions
- Grow your medical career

Job Requirements:

- Board Certified preferably in a primary care specialty but will entertain other certifications
- Integrative Medicine board certified or eligible
- Experience in the practice of integrative healthcare
- Tennessee licensed or license eligible
